Application Evaluation Criteria	St. Louis County will utilize a combination of a scoring system and/or first-come-first serve basis to evaluate each application. If multiple projects are received with limited funding, the County and/or Program Administrator will strive to equally distribute productions and/or economic impact across all of St. Louis County.
Losing Eligibility or Disqualification	<p>A Project may lose rebate eligibility or be disqualified if:</p> <ul style="list-style-type: none">• The production entity falls out of good standing with the Secretary of State in the state where the entity is incorporated.• Production is delayed or suspended, funding is lost, or the production will no longer take place in St. Louis County.• Program Administrator determines that the production will not occur.• Program Administrator determines that the production is engaged in fraudulent or unlawful behavior (e.g., wage theft).• Production has not fulfilled financial obligations of using St. Louis County labor, vendors or goods and services.• The production no longer meets eligibility criteria.• Production fails to meet Rebate Expenditure Report submission deadlines. Extensions may be considered on a case-by-case basis.• Production no longer qualifies for any other reason.• Program Administrator determines that production is engaged in detrimental, unprofessional, indecent or acts in bad faith.• If principal photography does not start within 6 months of certification.
Production Delay	<p>A certified project must start principal photography within 6 months of certification. If a certified project is delayed beyond that, the project will be moved into "pending" status. While a project is in pending status, the funds may be allocated to other active projects on the production waiting list. When the pending project is ready to begin principal production, and only if incentive program funds are available, the certified project will move back to "active" status.</p> <p>If a certified project is delayed and does not start principal photography within 12 months of certification, it will lose eligibility. A certified project that loses eligibility or is disqualified due to significant production delays or loss of funding may reapply by completing and submitting a new project certification application with new attachments.</p>
Over-Subscription (Funding Availability)	If applications received for the St. Louis County Rebate exceed the total amount appropriated by the county for the program, the Program Administrator will maintain a waiting list. Projects that meet eligibility may be provisionally certified in amounts up to 25% in the event that funds become available. Submission and/or provisional certification of an application does not in any way guarantee that a project will be reimbursed or that funds will be available.
Sole Right	St. Louis County reserves the sole right to make any, and all, final determinations per these guidelines.
